FOR IMMEDIATE RELEASE

City of Tilden Parks and Recreation Master Plan Workshop RSVP Survey Available

All community members welcome and encouraged to participate in park and rec planning workshops.

Tilden, NE October 15, 2025 – All Tilden area residents are being invited to participate in a consensus workshop that will have a key role in the city's upcoming Park and Recreation Master Plan.

Several community current events have involved the city's park and recreation facilities to include the recent announcement to build a splash pad, the passed bond that will result in the new construction of a football field and baseball field in a new location on the north side of Tilden, and the work of the TMG Foundation to lead the construction of a new city auditorium.

These recent events have highlighted the need for an overall master plan for Tilden's community park and recreation facilities. The parks to be considered within this plan are Horseshoe Park, Richie Ashburn Park (location of the city's swimming pool), and Sunset Park. The consensus workshop will ask participants about their vision for the amount and adequacy of park and recreation facilities to be offered in the future. The results of the workshop will be presented to all area residents through a community survey.

How to Participate:

Residents are encouraged to RSVP for one of the workshops being offered at the following times on Monday, November 3:

- 11:00 AM – 12:30 PM
- 1:30 PM – 3:00 PM
- 4:30 PM – 6:00 PM

Residents can RSVP at TildenParkRec.com or by scanning this QR

code:

###

The Tilden Park and Recreation Master Plan is being completed by the Tilden City Council in partnership with FIVE RULE Rural Planning located in Kearney, NE. FIVE RULE Rural Planning is a planning agency focusing on rural communities in Nebraska and Kansas and is committed to providing education, empowerment, and advocacy to communities who have chosen to grow and meet the challenges of an ever-changing future. For more information, please visit www.fiveruleplanning.com. For any questions regarding the survey or the project, please contact Bobbi Pettit at 308.455.3528 or bobbi@fiveruleplanning.com.
